Freedom for the Frustrated

Men ages 15 to 95 are invited to eat, laugh, worship, and play together in Bay Shore's outdoor setting. Session topics led by Mike Rule will include male spirituality, how men communicate, why and how men self-protect, how men are being emasculated in today's world and why the church as we know it is failing men today.

Outside of worship and teaching sessions, attendees will have the opportunity to participate in indoor and outdoor activities, including riding the camp's zipline, playing the biblical theme miniature golf course, basketball, baseball, volleyball, etc. We also encourage you to bring your toys for the weekend—hotrods, motorcycles, boats, golf clubs... whatever you would enjoy for free time on Saturday.

About Living Covenant Ministries International

LCMI was formed in 2001 as an outreach to frustrated and desperate Christians whose lives appear to be falling apart. This inter-denominational non-profit outreach invites people to discover victory over their internal hell moment by moment, both now and for eternity. Struggles, disappointments and hurts work in our favor by revealing our neediness and encouraging us to reach out in faith to God—the One who alone is our security and stability. Problems are rarely root issues but mere symptoms of deeper issues. We desire to help people understand and face those deeper root issues while giving them the tools to untangle their own lives. It is our desire and calling to share God's good news with those who are disillusioned and find themselves in difficult situations.
